PROTECTIVE ORDER #1****To Protect Against Disclosure of
National Security Information**

6 July 2015

Upon consideration of the submissions regarding the Government's motion for a protective order to protect classified information in this case the Commission finds: this case involves classified national security information, including TOP SECRET / SENSITIVE COMPARTMENTED INFORMATION (SCI), the disclosure of which would be detrimental to national security; the storage, handling, and control of which requires special security precautions; and the access to which requires a security clearance and a need-to-know. Accordingly, pursuant to authority granted under 10 U.S.C. § 949 p-1 to p-7, Rules for Military Commissions (R.M.C.) 701 and 806, Military Commissions Rule of Evidence (M.C.R.E.) 505, Department of Defense Regulation for Trial by Military Commissions (2011) §17-3, and the general judicial authority of the Commission, in order to protect the national security, and for good cause shown, the following Protective Order is entered.

1. SCOPE

a. This Protective Order establishes procedures applicable to all persons who have access to or come into possession of classified documents or information in connection with this case,

regardless of the means by which the persons obtained the classified information. These procedures apply to all aspects of pre-trial, trial, and post-trial stages in this case, including any appeals, subject to modification by further order of the Commission or orders issued by a court of competent jurisdiction.

b. This Protective Order applies to all information, documents, testimony, and material associated with this case that contain classified information, including but not limited to any classified pleadings, written discovery, expert reports, transcripts, notes, summaries, or any other material that contains, describes, or reflects classified information.

j. “Secure area” means a physical facility accredited or approved for the storage, handling, and control of classified information.

k. “Unauthorized disclosure of classified information” means any knowing, willful, or negligent action that could reasonably be expected to result in a communication or physical transfer of classified information to an unauthorized recipient. Confirming or denying information, including its very existence where the very existence of the information is classified, constitutes disclosing that information.

3. COURT INFORMATION SECURITY OFFICER

a. A Court Information Security Officer (CISO) and Assistant Court Information Security Officer(s) (ACISO) for this case have been designated by the Military Judge.

b. The CISO and any ACISO are officers of the court. *Ex parte* communication by a party in a case, to include the Office of Military Commissions, DoD General Counsel, or any intelligence or law enforcement agency, with the CISO/ASICO is prohibited except as authorized by the M.C.A. or the Manual for Military Commissions (M.M.C.). This is to preclude any actual or perceived attempt to improperly influence the Commission in violation of 10

U.S.C. §949b. This does not include administrative matters necessary for the management of the security responsibilities of the Office of Trial Judiciary.

c. The CISO/ACISO shall ensure that all classified or protected information is appropriately safeguarded at all times during Commission proceedings and that only personnel with the appropriate clearances and authorizations are present when classified or protected evidence is presented before Military Commissions.

d. The CISO shall consult with the OCA of classified documents or information, as necessary, to address classification decisions or other related issues.

4. **DEFENSE INFORMATION SECURITY OFFICER**

a. Upon request of Defense Counsel for an accused, the Convening Authority shall provide a Defense Information Security Officer (DISO) for the defendant.

b. The DISO is, for limited purposes associated with this case, a member of the Defense Team, and therefore shall not disclose to any person any information provided by the Defense, other than information provided in a filing with the Military Commission. In accordance with M.C.R.E. 502, the *DISO* shall not reveal to any person the content of any conversations he hears by or among the defense, nor reveal the nature of documents being reviewed by them or the work generated by them, except as necessary to report violations of classified handling or dissemination regulations or any Protective Order issued in this case, to the Chief Security Officer, Office of Special Security. Additionally, the presence of the DISO, who has been appointed as a member of the Defense Team, shall not be construed to waive, limit, or otherwise render inapplicable the attorney-client privilege or work product protections.

c. The DISO shall perform the following duties:

(1) Assist the Defense with applying classification guides, including reviewing pleadings and other papers prepared by the defense to ensure they are unclassified or properly marked as classified.

(2) Assist the Defense in performing their duty to apply derivative classification markings pursuant to E.O. 13526 §2.1(b).

(3) Ensure compliance with the provisions of any Protective Order.

d. To the fullest extent possible, the classification review procedure must preserve the lawyer-client and other related legally-recognized privileges.

(1) The Defense may submit documents to the Chief Security Officer, Office of Special Security with a request for classification review. If the Defense claims privilege for a document submitted for classification review, the defense shall banner-mark the document "PRIVILEGED."

(2) The Chief Security Officer, Office of Special Security, shall consult with the appropriate OCA to obtain classification review of documents submitted for that purpose. The Chief Security Officer, Office of Special Security, shall not disclose to any other entity any information provided by a DISO, including any component of the Office of Military Commissions, except that the entity may inform the military judge of any information that presents a current threat to loss of life or presents an immediate safety issue in the detention facility. This does not include administrative matters necessary for the management of the security responsibilities of the Office of Military Commissions.

(3) Submission of documents for classification review shall not be construed to waive, limit, or otherwise render inapplicable the attorney-client privilege or work product protections.

5. ACCESS TO CLASSIFIED INFORMATION

a. Without authorization from the Government, no member of the Defense, including defense witnesses, shall have access to classified discovery in connection with this case unless that person has:

(1) received the necessary security clearance from the appropriate DoD authorities and signed an appropriate non-disclosure agreement, as verified by the Chief Security Officer, Office of Special Security,

(2) signed the Memorandum of Understanding Regarding Receipt of Classified Information (MOU), attached to this Protective Order, and

(3) a need-to-know for the classified information at issue, as determined by the Government for that information.

b. In order to be provided access to classified discovery in connection with this case, each member of the Defense shall execute the attached MOU, file the executed originals of the MOU with the Chief Security Officer, Office of Special Security, and submit copies to the **CISO**. The execution and submission of the MOU is a condition precedent to the Defense having access to classified discovery for the purposes of these proceedings. The Chief Security Officer, Office of Special Security and CISO shall not provide copies of the MOUs to the Prosecution except upon further order of the Military Commission. The Chief Security Officer can provide the Prosecution the names of the Defense team members, identified on the record, who have executed the MOU. The MOUs for Defense Team members who have been provided *ex parte* may be provided, under seal, to the Chief Security Officer, Office of Special Security, and the CISO under seal and will not be further released without authority of the Commission.

c. The substitution, departure, or removal of any member of the Defense, including defense witnesses, from this case for any reason shall not release that person from the provisions of this Protective Order or the MOU executed in connection with this Protective Order.

d. Once the Chief Security Officer, Office of Special Security, verifies that counsel for the Accused have executed and submitted the MOU, and are otherwise authorized to receive classified discovery in connection with this case, the Government may provide classified discovery to the Defense.

e. All classified documents or information provided or obtained in connection with this case remain classified at the level designated by the OCA, unless the documents bear a clear indication that they have been declassified. The person receiving the classified documents or information, together with all other members of the Defense or the Government, respectively, shall be responsible for protecting the classified information from disclosure and shall ensure that access to and storage of the classified information is in accordance with applicable laws and regulations and the terms of this Protective Order.

f. No member of the Defense, including any defense witness, is authorized to disclose any classified information obtained during this case, outside the immediate parameters of these military commission proceedings. If any member of the Defense or any defense witness receives any summons, subpoena, or court order, or the equivalent thereof, from any United States or foreign court or on behalf of any criminal or civil investigative entity within the United States or from any foreign entity, the Defense, including defense witnesses, shall immediately notify the military judge, the Chief Security Officer, Office of Special Security, and the Government so that appropriate consideration can be given to the matter by the Commission and the OCA of the materials concerned. Absent authority from the Commission or the Government, the Defense and

defense witnesses are not authorized to disseminate or disclose classified materials in response to such requests. The Defense, and defense witnesses and experts, are not authorized to use or refer to any classified information obtained as a result of their participation in commission proceedings in any other forum, or in a military commission proceeding involving another detainee.

6. USE, STORAGE, AND HANDLING PROCEDURES

a. The Office of the Chief Defense Counsel, Office of Military Commissions, has approved secure areas in which the Defense may use, store, handle, and otherwise work with classified information. The Chief Security Officer, Office of Special Security, shall ensure that such secure areas are maintained and operated in a manner consistent with this Protective Order and as otherwise reasonably necessary to protect against the disclosure of classified information.

b. All classified information provided to the Defense, and otherwise possessed or maintained by the Defense, shall be stored, maintained, and used only in secure areas. Classified information may only be removed from secure areas in accordance with this Protective Order and applicable laws and regulations governing the handling and use of classified information.

c. Nothing in this Protective Order shall be construed to interfere with the right of the Defense to interview witnesses, regardless of their location. If the Defense receives a document containing information described in §2(g) or memorializes information described in §2(g), while in a non-secure environment, the Defense shall:

(1) maintain positive custody and control of the material at all times;

(2) unless under duress, relinquish control of the material only to other personnel with the appropriate security clearance and a need-to-know;

(3) transport the material in a manner not visible to casual observation;

(4) not add information (including markings) corroborating the material as classified until returning to a secure area;

(5) not electronically transmit the information via unclassified networks;

(6) transport the material to a secure area as soon as circumstances permit; and,

(7) after returning to a secure area, mark and handle the material as classified.

d. Consistent with other provisions of this Protective Order, the Defense shall have access to the classified information made available to them and shall be allowed to take notes and prepare documents with respect to such classified information in secure areas.

e. The Defense shall not copy or reproduce any classified information in any form, except in secure areas and in accordance with this Protective Order and applicable laws and regulations governing the reproduction of classified information.

f. Defense counsel can conduct open source searches from a computer not identifiable with the U.S. government. The raw search material can be stored in an unclassified format or on an unclassified system. However, if an individual has access to classified information, any information described in §§2(g)(2) and 2(g)(4) will be marked or treated as classified in a Military Commissions pleading if the information is specifically referenced to information available in the public domain.

g. All documents prepared by the Defense that are known or believed to contain classified information, including, without limitation, notes taken or memoranda prepared by counsel and pleadings or other documents intended for filing with the Commission, shall be transcribed, recorded, typed, duplicated, copied, or otherwise prepared only by persons possessing an appropriate approval for access to such classified information. Such activities shall

take place in secure areas, on approved word processing equipment, and in accordance with procedures approved by the Chief Security Officer, Office of Special Security.

h. The Defense may submit work product for classification review using the procedures outlined in §4(d). Except as provided in §6, all such documents and any associated materials containing classified information or information treated as classified under §§6f and g such as notes, memoranda, drafts, copies, typewriter ribbons, magnetic recordings, and exhibits shall be maintained in secure areas unless and until the OCA or Chief Security Officer, Office of Special Security advises that those documents or associated materials are unclassified in their entirety. None of these materials shall be disclosed to the Government unless authorized by the Commission, by counsel for an Accused, or as otherwise provided in this Protective Order.

i. The Defense may discuss classified information only within secure areas and shall not discuss, disclose, or disseminate classified information over any non-secure communication system, such as standard commercial telephones, office intercommunication systems, or non-secure electronic mail.

j. The Defense shall not disclose any classified documents or information to any person, including counsel in related cases of Guantanamo Bay detainees in Military Commissions or other courts (including, but not limited to, habeas proceedings), except those persons authorized by this Protective Order, the Commission, and counsel for the Government with the appropriate clearances and the need-to-know that information. The Commission recognizes the presentation of a joint defense may necessitate disclosure on a need-to-know basis to counsel for co-accused.

k. To the extent the Defense is not certain of the classification of information it wishes to disclose, the Defense shall follow procedures established by the Office of Military Commissions for a determination as to its classification. In any instance where there is any doubt as to whether

information is classified, the Defense must consider the information classified unless and until it receives notice from the Chief Security Officer, Office of Special Security, this information is not classified.

l. Until further order of this Commission, the Defense shall not disclose to an Accused any classified information not previously provided by an Accused to the Defense, except where such information has been approved for release to an Accused and marked accordingly.

m. Except as otherwise stated in this paragraph, and to ensure the national security of the United States, at no time, including any period subsequent to the conclusion of these proceedings, shall the Defense make any public or private statements disclosing any classified information accessed pursuant to this Protective Order, or otherwise obtained in connection with this case, including the fact that any such information or documents are classified. In the event classified information enters the public domain without first being properly declassified by the United States Government, counsel are reminded they may not make public or private statements about the information if the information is classified. (*See* paragraph 2g of this Protective Order for specific examples of information which remains classified even if it is in the public domain). In an abundance of caution and to help ensure clarity on this matter, the Commission emphasizes that counsel shall not be the source of any classified information entering the public domain, nor should counsel comment on information which has entered the public domain but which remains classified.

7. PROCEDURES FOR FILING DOCUMENTS

a. See Rule 3, Motion Practice, Military Commissions Trial Judiciary Rules of Court (5 May 2014).

b. For all filings, other than those filed pursuant to M.C.R E. 505, in which counsel know, reasonably should know, or are uncertain as to whether the filing contains classified information

or other information covered by Chapter 19-3(b), DoD Regulation for Trial By Military Commission, counsel shall submit the filing by secure means under seal with the Chief Clerk of the Trial Judiciary.

c. Documents containing classified information or information the Defense Counsel believes to be classified shall be filed pursuant to the procedures specified for classified information.

d. Classified filings must be marked with the appropriate classification markings on each page, including classification markings for each paragraph and subparagraph. If a party is uncertain as to the appropriate classification markings for a document, the party shall seek guidance from the Chief Security Officer, Office of Special Security, who will consult with the OCA of the information or other appropriate agency, as necessary, regarding the appropriate classification.

e. All original filings will be maintained by the Director, Office of Court Administration, as part of the Record of Trial. The Office of Court Administration shall ensure any classified information contained in such filings is maintained under seal and stored in an appropriate secure area consistent with the highest level of classified information contained in the filing.

f. Under no circumstances may classified information be filed in an otherwise unclassified filing except as a separate classified attachment. In the event a party believes an unsealed filing contains classified information, the party shall immediately notify the Chief Security Officer, Office of Special Security, and *CISO/ACISO*, who shall take appropriate action to retrieve the documents or information at issue. The filing will then be treated as containing classified information unless and until determined otherwise. Nothing herein limits the

Government's authority to take other remedial action as necessary to ensure the protection of the classified information.

g. Nothing herein requires the Government to disclose classified information.

Additionally, nothing herein prevents the Government or Defense from submitting classified information to the Commission *in camera* or *ex parte* in these proceedings or accessing such submissions or information filed by the other party. Except as otherwise authorized by the Military Judge, the filing party shall provide the other party with notice on the date of the filing.

8. PROCEDURES FOR MILITARY COMMISSION PROCEEDINGS

a. Except as provided herein, and in accordance with M.C.R.E. 505, no party shall disclose or cause to be disclosed any information known or believed to be classified in connection with any hearing or proceeding in this case.

(1) Notice Requirements: The parties must comply with all notice requirements under M.C.R.E. 505 prior to disclosing or introducing any classified information in this case including classified information introduced through the testimony of an accused.

(2) Closed Proceedings

(a) While proceedings shall generally be publicly held, the Commission may exclude the public from any proceeding, *sua sponte* or upon motion by either party, in order to protect information, the disclosure of which could reasonably be expected to damage national security. If the Commission closes the courtroom during any proceeding in order to protect classified information from disclosure, no person may remain who is not authorized to access classified information in accordance with this Protective Order, which the *CISO* shall verify prior to the proceeding.

(b) No participant in any proceeding, including the Government, Defense, witnesses, or courtroom personnel, may disclose classified information, or any information that tends to reveal classified information, to any person not authorized to access such classified information in connection with this case.

b. Delayed Broadcast of Open Proceedings

(1) Due to the nature and classification level of the classified information in this case, the Commission finds that to protect against the unauthorized disclosure of classified information during proceedings open to the public, it will be necessary to employ a forty-second delay in the broadcast of the proceedings from the courtroom to the public gallery. This is the least disruptive method of both insuring the continued protection of classified information while providing the maximum in public transparency.

(2) Should classified information be disclosed during any open proceeding, this delay will allow the Military Judge to take action to suspend the broadcast - including any broadcast of the proceedings to all locations other than just the public gallery of the courtroom (e.g., any closed-circuit broadcast of the proceedings to a remote location) - so that the classified information will not be disclosed to members of the public.

(3) The broadcast may be suspended by the Military Judge whenever it is reasonably believed that any person in the courtroom has made or is about to make a statement or offer testimony disclosing classified information.

(4) The Commission shall be notified immediately when the broadcast is suspended. In that event, and otherwise if necessary, the Commission may stop the proceedings to evaluate whether the information disclosed, or about to be disclosed, is classified information

as defined in this Protective Order. The Commission may also conduct an *in camera* hearing to address any such disclosure of classified information.

c. Other Protections

(1) During the examination of any witness, the Government may object to any question or line of inquiry that may require the witness to disclose classified information not found previously to be admissible by the Commission. Following such an objection, the Commission will determine whether the witness's response is admissible and, if so, may take steps as necessary to protect against the public disclosure of any classified information contained therein.

(2) Classified information offered or admitted into evidence will remain classified at the level designated by the OCA and will be handled accordingly. All classified evidence offered or accepted during trial will be kept under seal, even if such evidence was inadvertently disclosed during a proceeding. Exhibits containing classified information may also be sealed after trial as necessary to prevent disclosure of such classified information.

d. Record of Trial

(1) It is the responsibility of the Government, IAW 10 U.S.C §948l(c) to control and prepare the Record of Trial. What is included in the Record of Trial is set out by R.M.C. 1103. The Director, Office of Court Administration, shall ensure that the Record of Trial is reviewed and redacted as necessary to protect any classified information from public disclosure.

(2) The Director, Office of Court Administration, shall ensure portions of the Record of Trial containing classified information remain under seal and are properly segregated from the unclassified portion of the transcripts, properly marked with the appropriate security markings, stored in a secure area, and handled in accordance with this Protective Order.

9. UNAUTHORIZED DISCLOSURE

a. Any unauthorized disclosure of classified information may constitute a violation of United States criminal laws. Additionally, any violation of the terms of this Protective Order shall immediately be brought to the attention of the Commission and may result in disciplinary action or other sanctions, including a charge of contempt of the Commission and possible referral for criminal prosecution. Any breach of this Protective Order may also result in the termination of access to classified information. Persons subject to this Protective Order are advised that unauthorized disclosure, retention, or negligent handling of classified documents or information could cause damage to the national security of the United States or may be used to the advantage of an adversary of the United States or against the interests of the United States. The purpose of this Protective Order is to ensure those authorized to receive classified information in connection with this case will never divulge that information to anyone not authorized to receive it, without prior written authorization from the OCA and in conformity with this Order.

b. Any party upon becoming aware of any unauthorized access to or loss, theft, or other disclosure of classified information, shall promptly notify the Chief Security Officer, Office of Special Security, and shall take all reasonably necessary steps to retrieve such classified information and protect it from further unauthorized disclosure or dissemination.

10. SURVIVAL OF ORDER

a. The terms of this Protective Order and any signed MOU shall survive and remain in effect after the termination of this case unless otherwise determined by a court of competent jurisdiction.

b. This Protective Order is entered without prejudice to the right of the parties to seek such additional protections or exceptions to those stated herein as they deem necessary.

So ORDERED this 6th day of July 2015.
