CMCR CASE NO. 08-001

21 March 2008

Petitioners' Motion for Writ of Mandemus and attached Exhibits 1-7, and Motion to Attach Declaration of Matthew J. MacLean, both filed on 14 March 2008, as well as Respondent's Reply, filed on 20 March 2008, were reviewed for purposes of consideration of Writ No. 08-001. The Motion for Writ of Mandemus is DENIED because no charge has been preferred against Petitioners. This does not imply there is Writ jurisdiction upon preferral of charges. Denial of this Writ of Mandemus does not address the applicability to the United States Court of Military Commission Review of the All Writs Act, 28 U.S.C. § 1651.
